PASTOR MIKE WHITE PRESENTS TAB WORSHIP LIVE

DECLARATION

TAB Worship

We are humbled that God, through our church worship expression, has birthed these amazing songs. Each song plays its unique part in forming a collective, yet, eclectic sound.

As a church we are blessed to have outstanding worship leaders and an exceptionally gifted in-house song-writing team. The team are determined under the inspiration of God's Spirit, and with the foundation of God's Word, to write songs with simple language but serious faith; write songs to inspire people to sing and not just good music to listen to; and songs that worship leaders can use to inspire congregations to make bold declarations of praise to our God.

'Declaration' is inspired by Psalm 22:22, "I will declare your name to my people; in the assembly, I will praise you". It is our prayer that through the Holy Spirit, both the musical sound and lyrical content will inspire you, and everyone who listens, to boldly 'declare' both praise-filled celebration and devotional surrender to the Lordship of Christ. We therefore invite you to join with us in exuberant worship through the songs on this live album - as this is our 'Declaration'.

PASTOR MIKE WHITE
Senior Pastor, The Tab Church London
